

GET YOUR ELECTRICITY FROM THE SUN!

## Photovoltaic Design and Installation Class "Line Ties and More"

Presented by

Solar Energy International

Co-sponsored by Northern California Solar Energy Association  
(NCSEA) and Sacramento Municipal Utility District (SMUD)

Sacramento, California

February 12-17, 2001

9 am – 5 pm

(Registration 8 – 9 am)

Tuition is \$550.00 (limited scholarships available) and includes one-year SEI membership and one-year subscription to Home Power magazine

### Topics include --

- Basics of Electricity
- Solar Site Analysis
- System Components
- Component Specification
- Electrical Wiring
- Safety Procedures
- Tours of PV Facilities
- A "Hands-on" Field Installation

This class will be held at the Sacramento Municipal Utility District (SMUD) Customer Service Center, in the Energy and Technology Center Rubicon Room, 6301 "S" Street, in Sacramento, CA.

SMUD is a leader in renewable energy generation and implementation!

Come join us for this six-day workshop focusing on grid interactive systems and more.
