CSC Solar Forum

Sponsored by The Rahu Institute, California Solar Center
and Anaheim Public Utilities

Solutions for a
Sustainable World

February 23rd, 2005

10am to 4pm

Anaheim Convention Center, Room 204B
Anaheim, CA

Directions: www.anaheim.net/conventioncenter/

Agenda: Information on the Governor's proposed Million Solar Roof [California] Initiative will be presented and discussed. Buy/Sell Solar greentags, progress in solar school projects, solar for new homes, solar rebate program updates, unique project highlights, and an opportunity to network with others involved in the solar industry.
