

CPVU Webinar/Conference Call – November 19, 11am-12

TOPIC: **AB920 – Net Metering (Changes to)**

Call sponsored by Anaheim Public Utilities

Download supporting docs and language of the law at

<http://www.californiasolarcenter.org/cpvu/cpvu.html>

- Structure of the Call (Tor)
 - Focus on implementing the Law vs. Debating the Law
 - Mute yourself if lots of background noise in your environment
- Summary of the Law (Lindsay Joye, City of Palo Alto Utilities)
- Key Dates
- Known Requirements
- Uncertainty areas – challenges for implementing internally
 - Is annual renewal required? Can they switch back n' forth
 - Date of annual true-up? Ok to match to calendar year.
 - Setting the Rate?
- How to share information going forward.
 - Send questions to Tor at tor@rahus.org
 - Survey of utilities. Sharing different strategies
